RESPONSE

This is a response to Official Action of January 17, 2001.

The claims are 1 to 14 and reconsideration is respectfully requested.

The examiner requested a more specific response to the term "therapeutically active agent" relevant to the election of species in claims 4 and 11.

Applicants, first of all, hereby incorporate all arguments and statements included in their response of November 6, 2000. In that response, Applicants elected the therapy of subparagraph "B" with respect to these claims. In response to the pending Action, Applicants furthermore hereby elect NSAIDs with traverse.

Applicants respectfully request that the claims be allowed and the Application passed on to issue.
